**PRO-OPS™
 EXTERNAL BALLISTIC VEST COVER**

This ballistic vest cover is a true testament to the risks you face. It's designed for optimum performance and comfort for the routine patrol to tactical response officer. The Pro-Ops™ External Ballistic Vest Cover utilizes a technical X-Secure™ bracing system with elastic straps that secure the vest cover to the ballistic armor. The shoulders are reinforced with cushioned shoulder stabilizers that open to provide easy assembly and proper fit. 4-way stretch side-zip panels allow for a comfortable, professional fit. A two-way zipper gives easy one-motion access to the vest cover interior double-warrant pockets. You'll also find an external badge tab, a utility tab, two hook-and-loop closure external chest pockets, and a pencil stall to keep items organized.

PRO-OPS™ UNIFORM BASE LAYER

While it presents a professional appearance on its own, our newly designed Pro-Ops™ Uniform Base Layer wears comfortably and pairs perfectly under our Pro-Ops™ External Ballistic Vest Cover. The top half of the base layer is the same fabric as our vest cover which allows for an exact color match. To support the unpredictable nature of your job—it's constructed of performance mesh material with superior breathability and moisture-wicking properties to help keep you drier and more comfortable during every level of activity. Handy reinforced utility tab placed at the base of the placket for items needed nearby at all times and wire access in both side seams. The Pro-Ops™ Uniform Base Layer's fundamental duty is to keep you at top performance.

ASSEMBLY INSTRUCTIONS

1
Unzip the sides of the Pro-Ops™ External Ballistic Vest Cover and lay it open on a flat surface. Fit your armor to your body by putting it on and adjusting the shoulder straps to the length of your liking.

2
Remove the armor, keeping the shoulder straps secured and place the armor flat on top of the Pro-Ops™ External Ballistic Vest Cover.

3
Secure the armor inside the Vest Cover by lifting up the elastic straps of the Horace Small X-Secure System on both the front and back panels.

4
Then secure the shoulder straps of the body armor with the padded shoulder strap stabilizers.

5
Now that the armor is secured inside the Pro-Ops™ External Ballistic Vest Cover, put the entire system on and secure the armor to your body.

6
Then, zip each side of the 4-way stretch side panels of the Pro-Ops™ External Ballistic Vest Cover, for a custom, comfortable fit.
