SENTRY PLUS Collection

WITH **SolarBan®**

Bring the heat. Keep your cool.

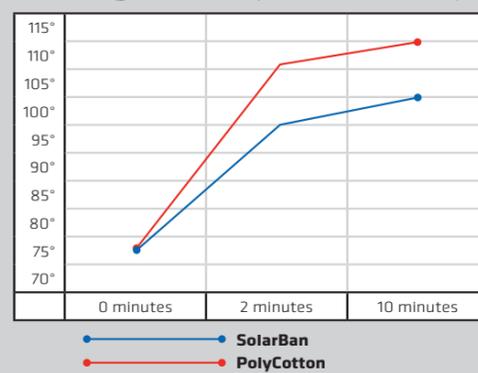

The hot summer months are quickly approaching, and your job requires a considerable amount of time in the blistering heat. Imagine if your uniform could keep you cooler when harmful rays are beating down.

Well, it can. Thanks to SolarBan® technology that reduces the absorption of heat rays, you'll stay up to ten degrees cooler. And this technology is offered in every Horace Small Sentry product. You'll be more comfortable in your uniform and can stay focused on the job at hand. Plus, Sentry offers Sun Protection Factor (SPF 30+).

It's our priority to think about your uniform so you don't have to.

For more information on SolarBan, visit HoraceSmall.com.

Keeps you up to **10° cooler** by reducing the absorption of heat rays.
